

**TO OUR VALUED CONTACT LENS PATIENTS:**

Due to the extra time and care that is involved with contact lens evaluations, there will be a contact lens fitting/update fee to be paid at the time of the appointment.

This fee ranges from \$75.00 to \$185.00, and it is not covered by your insurance. This fee covers your initial contact lens fitting/update, and any follow up contact lens appointments that may occur within 90 days of the initial appointment.

Any necessary contact lens appoint past the 90 days will be considered a new contact lens update and will be subject to the new update fee.

Sincerely,

*Drs. Lubelczyk, Sprague, Pinkham, Loranger and Donahue*
